Placement activity report

Respected sir,

We have conducted placement activity like resume preparation, group discussion on 02.05.2022 for our 4th year students. During that time, 23 students have participated entire session. We have already instructed to bring their resume. We have verified their resume and make some corrections.

Students have started Group discussion at 9.30am. First we asked them to form a team and assign a specific name for each team. After that self-introduction process started. Each and every students have done a good work during that time. We have given a specific topic for each team.

On 11 am, we have formed a new team (boys and girls) and conducted a Group discussion. All the students have eagerly participated group discussion. During that time we have monitor their entire activity and noted their performance. Finally we have discussed their performance level at the end of the session.

The entire program has been monitored by Mr.K. Rajeshkumar, Mr.K. Ayyapparaja, Mrs.R. Revathi.
